

Special Meeting
September 30, 1992

Present: Sanderson, Schiebel, King, Lutes
Absent: Krause

Mayor Gearhart called the meeting to order at noon in the Council Chambers.

The purpose of the meeting was to discuss the land northwest of town the city is considering leasing for the purpose of burning branches and limbs.

Kirby Schmidt visited with farm manager, Michael Baltes at Security Bank, Marshalltown. The land owners are considering selling the farm and the council agreed to investigate purchasing at least three acres of the land if the price is reasonable.

The council will go out and look at the site Saturday at 4:00 p.m. Mayor Gearhart is to meet with Baltes on Monday to discuss the property.

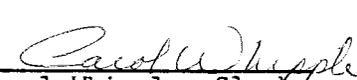

Either the purchase of the land or preparing a written lease will take some time, so as long as the city advertised picking up branches and limbs, they will be picked up in the city truck and taken to the composting site in Marshalltown.

The city will look into getting bags that can be used for leaves and yard waste and taken to Marshalltown's composting site also.

Motion to adjourn by Sanderson, second by Schiebel. Carried.

Bill Gearhart, Mayor

Attest:

Carol Whipple, Clerk
