

Conrad, Iowa

November 12, 1947

Council met in special session at the Town Hall; On being called to order by Mayor Gough at 12:45 P.M. the following members were present.

Clinite, Gould, Martin, Absent Gravenstein, Newton.

The meeting called in regard to the town pump. The pump having loss some of its efficiency in the pumping of the city water, hence the reason for a special meeting.

On motion by Martin seconded by Clinite that the water committee and R.C. Dickover, the water superintendent, go to Des Moines to meet to meet with the Globe Machinery and Supply Company ~~to~~ discuss the matter with the Company and are hereby authorized to buy the necessary equipment ~~to~~ repairs carried for the pump.

On motion by Gould seconded by Clinite that Council adjourn. carried
